

Family Coasteering!

Action packed and full of fun – have you got what it takes?

What's involved?

Adrenalin packed action! Work your way around, over and under otherwise inaccessible parts of the rugged Ballyhornan coastline. Scramble over rocks, explore caves, swim through deep pools and jump off small cliffs!

Ballyhornan is Northern Ireland's best location for Coasteering with its spectacular variety of caves, cliff jumps, rock scrambling, Irish Sea swells and sheltered waters.

Jumping is not compulsory but it is a lot of fun! Most people like to try the smaller jumps.
