

Island Hopper Day Trip!

A full day of Kayaking on Strangford Lough visiting the stunning islands and seeing the sights and wildlife on the way.

What is involved?

After planning our route, we'll pack our equipment and supplies into the sea kayaks and launch from our boat house, to spend a bit of time looking at skills and techniques that will help you throughout the day. We'll then paddle out towards the islands following the Strangford Lough Canoe Trail.

At lunch time we will stop off on one of the islands to have a bite to eat, so remember your cameras and packed lunches!

Who can take part?

Beginners can take part, but it's helpful to have a little experience to improve your confidence on the day. Ask about our Paddle Power if you are interested in doing a beginners' course first.

Adults only - 18 years +
